

Dear Colleagues,

I am pleased to inform you that FAO is currently recruiting for senior professional vacancies (9 Posts) for our Investment Centre.

The Investment Centre (CFI) promotes investment in food security, agriculture, rural development, natural resource management and agro-processing in developing countries and countries in transition, assisting governments, country stakeholders and international financing institutions with the strategic planning and implementation of their investments to achieve food security and nutrition, make agriculture, forestry and fisheries more sustainable and productive, reduce rural poverty, make food value chains more efficient and inclusive and promote climate change adaptation and/or mitigation.

CFI is now looking for several high-caliber technical professionals at P-5 level with different specializations to fulfil FAO's mandate.

Requested Technical Profiles are the following ones:

- Senior Economist,
- Senior Rural Finance Officer,
- Senior Agribusiness Officer,
- Senior Rural Institutions Officer,
- Senior Rural Sociologist,
- Senior Land Tenure Officer,
- Senior Irrigation and Rural Infrastructure Engineer,
- Senior Agricultural Officer,
- Senior Forestry Officer,
- Senior Animal Production and Health Officer,
- Senior Natural Resources Management/Climate Change Officer.

I would be very grateful if you could disseminate within your institution the following vacancy available on the FAO career portal:
